WINDSOR AT PERRY HALL FARMS, Perry Hall, MD

Step inside, take a breath, and feel that sense of ahh, this is it. That's the feeling you get the moment you walk into this beautifully refreshed 1600+ sqft condo in the sought-after Windsor at Perry Hall Farms community.

The sellers poured love and care into every update – the kind that makes a home feel new again. Gone are the dated carpets and wallpaper. In their place, you'll find sleek luxury vinyl plank flooring, fresh neutral paint, and a bright, welcoming space that feels modern but still warm.

The spacious floor plan offers two bedrooms and two full baths, including a primary suite with dual vanities and a walk-in shower – a private retreat where mornings feel calm and evenings feel unhurried. The tall ceilings add an airy openness, while the kitchen with gas cooking invites you to linger a little longer over your morning coffee.

In this elevator building, there's no need to worry about stairs (unless you want to use the stairs to walk up to this 2nd floor condo to get your steps in) – just easy, secure access and quiet neighbors who enjoy the carefree condo lifestyle. You're surrounded by manicured grounds, walking paths, and mature trees, creating a park-like setting that changes beautifully with the seasons.

At The Windsor, life moves at a gentler pace. Neighbors wave when they pass, the walking trails are a spot for friendly conversation, and errands are a breeze with nearby shops, dining, and grocery stores all within minutes. When youâ€™re ready to travel, just lock the door and go â€“ your low-maintenance lifestyle has you covered.

And because practical matters matter, you can rest easy knowing the HVAC was replaced in 2020 and the water heater in 2014 â€“ so youâ€™re not starting from scratch, just from style.

9603-F Amberleigh Lane isnâ€™t just a place to live â€“ itâ€™s a chance to simplify, refresh, and enjoy the next chapter surrounded by comfort and community.

What would you change? What would you keep?
